

# News from Room 406

September 2, 2017 edition

5<sup>th</sup> Grade

Mrs. Rabb

## Inside the Classroom

We are beginning the following units of study:

- **Math**—Solving multi-digit multiplication and division using the standard algorithm
- **Science**—Studying states of matter and changes in matter; creating eco-columns to study ecosystems
- **Reading**—Analyzing characters and their responses to challenges to develop theories about them
- **Writing**—Brainstorming ideas for a personal narrative

## Notes from Mrs. Rabb:

We have had an excellent first week together! The kids are getting used to our classroom routines and procedures. We are using Class Dojo—a letter outlining how to connect to this valuable behavior management tool is in today's Friday Folder.

As a class, we created a Mission Statement and Ground Rules that will guide our learning throughout this year. We discussed the importance of having a Growth Mindset and began our 1<sup>st</sup> read-aloud, "Because of Mr. Terupt".

## Dates to Remember:

Thursday, Sept. 14—Open House

5:00—PTA Meeting

5:30—Session 1 in teacher's classroom

6:20—Session 2 (repeat of Session 1)

Thursday, Sept. 21—Teacher Workday

Wednesday, Sept. 27 and

Thursday, Sept. 28—Fall Picture Day

Friday, Sept. 29—Early Release

**The students in  
Mrs. Rabb's 5th grade class  
will do our best every day and work well together so we can  
get a good education, go to college, and get a good job.**
